David,

We're available for a community relations call next Tuesday 2/9/16 if that works from your end.

Regards,

Hi Gary and Donn, I just spoke with John Cermak, counsel for IP. The PRPs would like to discuss

9682525

community relations for the site either tomorrow or Monday with both of you. Gary, could you contact David Keith or Phil Slowiak (my apologies if I have misspelled) to see if a call can be set up with you and Donn (assuming you both are available)?

I will be out tomorrow, but in on Monday. I understood it would be a technical meeting, so I would not plan on participating.

Thanks.
